Days 1 and 2 - Nkilenya, Lemek Conservancy

On arrival into Nairobi Jomo Kenyatta International Airport today (details to be confirmed), having cleared immigration and collected your luggage, make your way through to the arrivals hall. Here you will be met (our representative will be holding up a board showing your name) and driven to Wilson Airport (Nairobi's domestic airport). You then meet the scheduled flight departing for the Masai Mara (flying time one hour).

Your riding safari guide will meet you at the airstrip and take you on a game drive to Nkilenya private mobile camp (Lemek Conservancy), arriving in time for lunch. The afternoon is spent settling in, followed by a short ride or game drive.

The following day you explore the riverine forests and open plains of Lemek. There is an abundance of wildlife here including giraffe, warthog, zebra, hartebeest, topi, wildebeest and with a little luck, cheetah and leopard too. Today you will ride between 10 and 15 kms.
